PREFACE

This bibliography supports the "Total Army-21st Century" special theme of the U.S. Army War College's curriculum. Focusing on the Army National Guard, the Army Reserve, and the Active Army, it lists materials that will assist researchers in understanding how the Army is continuing to integrate the Army's components into one seamless 21st Century force.

All items included in this bibliography are dated 1994 to the present and are available in the U.S. Army War College Library. For your convenience, we have added our call numbers at the end of each entry. Please keep in mind that call numbers may vary from library to library.

This bibliography is also available on the Internet through our Library's home page (<http://carlisle-www.army.mil/library/>).

For additional information, please contact the Research and Information Services Branch, U.S. Army War College Library by sending an e-mail message to libraryr@awc.carlisle.army.mil, or by phoning DSN 242-4280 or Commercial (717) 245-4280.
